2) Concerns?	2) Concerns?	2) Concerns?
3) Conditions under which implementing these would be acceptable to you?	3) Conditions under which implementing these would be acceptable to you?	3) Conditions under which implementing these would be acceptable to you?

Note: Background information regarding these options were provided at the WRP Workshop (Jan. 19, 2010). Workshop was recorded and is being aired on Access Humboldt (see schedule on HBMWD website) and is available on DVD. Additionally, all PowerPoint presentations given at the workshop are available (in print form) on the HBMWD website.
