

Humboldt Bay Municipal Water District Water Resources Planning Public Meetings

(for Phases 1 & 2 of Planning Process)

McKinleyville at Azalea Hall – October 13th, 6:00 pm

Arcata at D St. Community Center – October 14th, 6:00 pm

Eureka at the Wharfinger Building – October 22nd, 6:00 pm

Desired Outcomes

By the end of the meeting, the members of the public will have...

- An understanding of Humboldt Bay Municipal Water District’s current situation regarding its water rights and water rates in the community given loss of industrial customers (pulp mills)
- An understanding of the Water Resources Planning Process, the role of the WRP Advisory Committee, the Citizen’s Study Group and the public’s role in this process
- Provided their feedback on the criteria that they want the WRP Advisory Committee to use to develop potential options for beneficial uses of water for our community
- An understanding of next steps
