

ITEM: Consider Approval of Surplus Vehicle Request

PRESENTED BY: Dale Davidsen, Director of Operations & Maintenance

TYPE of ITEM: ACTION

TYPE of ACTION: General Vote – Consent Calendar

### **Recommendation**

---

Staff recommends that the Board authorize declaring the District-owned 2011 Ford F-150 as surplus property and approve its disposal in accordance with District policy.

### **Discussion**

---

The District no longer requires the vehicle previously utilized at Ruth Lake for fire recovery efforts. As such, it is appropriate to declare the vehicle surplus.

The vehicle is described as follows:

- 2011 Ford F-150
- 5.0 Liter V-8
- 4x4, Super Cab, Short Bed
- Approximately 105,000 miles

Declaring this vehicle as surplus will allow the District to proceed with disposal in accordance with established policies and procedures.

### **Alternatives**

---

Take no action.

### **Fiscal Analysis**

---

Any proceeds from the disposal of the surplus vehicle will be returned to the appropriate District fund. Eliminating the vehicle from inventory will also reduce ongoing maintenance and insurance costs.

### **Environmental Requirements**

---

Not Applicable

### **Exhibits/Attachments**

---

Not Applicable
